EXPERIENCE DESIGNER

My experience as a student at SMK TI Bazma has been enriched through the study of graphic design.

- Event participated in an art-making competition for KitKat
- Became a teacher's assistant teaching younger students about creating logos with Adobe Illustrator and creating digital imaging with Photoshop.

EXPERIENCE WEB DEVELOPER

web development at SMK TI Bazma is a vocational subject that I studied

- Creating a website for SMK TI Bazma Library.
- mengerjakan tugas project

I'm a vocational student majoring in SIJA (Network Information Systems and Applications). During my educational journey, I found a deep interest in Web Development and Graphic Design.
